

KnowledgeQuest Presents

Spotlight on Writing

Grades
3-6

- Learn the fundamental steps of the writing process, from brainstorm to final draft
- Practice different styles of writing: narrative, descriptive, persuasive, compare/contrast
- Learn to develop excellent topic sentences, effective introductions, and catchy conclusions
- Get familiar with literary terms like mood, setting, tone, and author's purpose
- Create a written time capsule for your future self!

Program aligned with California State Standards.
