

Adventures and Heroes!

Robin Hood Adventures

(June 25-29, 8:30am-2:30pm, grades 1-7, \$435)

Learn about the Dark Ages, the spread of the plague, medieval games, and why you should not marry Henry VIII. Relive the legend of Robin Hood and see if you can hit the targets in our own archery tournament. Find out how the feudal system relates to the game of chess. Write messages in secret ink, and close your letters with a special wax seal. Make beeswax candles, discover how butter was made, and build catapults to fling your marshmallow over the castle walls. Discover the stinking truth behind medieval hygiene, but do not let your manners stay in the Dark Ages. Learn the proper way to keep your elbows off the table and the reasons behind other interesting etiquette rules.

Superhero Training Camp

(July 9-13, 8:30am-2:30pm, grades 1-7, \$435)

Discover the superhero inside of you. Perform art activities and science experiments inspired by favorite comic book characters. Wonder Woman flies on air currents so make an anemometer to help her measure air speed. Iron Man would surely enjoy some magnetic slime. Would you like to be able to control the weather just like Storm? Discover how to make superhero lighting and a cloud in a jar. Superman is the ultimate superhero, but is he an even match for you? Make yourself a flying cape and become a rocket scientist by making tea powered jet fly high. Do you know there is an element named krypton? Get introduced to the periodic table and play fun games of strength. Save speed for The Flash while you make your zoom balls go super-fast! Practice your super power breath with bubbles and detonate seed bombs before the villains set them off in the city.
